

“3rd Ocean Yachts Cup 2007”

The Ocean “Stars” charm the Argossaronicos Gulf once again!

April 25th, 2007

Ocean Yachts successfully organized – for the 3rd consecutive year – the Ocean Yachts Cup that has turned into a tradition. The start of the sailing race was realised on Saturday the 21st of April at the Alimos Dock where 30 Ocean Star sailing yachts, the largest number of participants ever, begun their journey with final destination the island of Poros.

The participation of yachts and sailors from foreign countries exceeded all expectations. Despite the fact that the wind was not in favour of the regatta, the crews gave their best until late in the evening, when the judges finally announced that the race had to stop.

The participants partied until early in the morning at the Poros Image Hotel. During the party, the Ocean Yachts’ President and CEO, Mr. Constantine Anargyrou, thanked and congratulated all participants for their worthy efforts.

The General Secretary of Western Greece, Mr. Spiros Spiridon, the Mayor of Poros, Mr. Dimitris Stratigos, the Harbour Master, Mr. Evangelos Pollalis and the Vice President of the Harbour Fund, Mr. Georgios Mantilas, honored the celebration with their presence.

Ethniki Asfalistiki and Raymond Weil watches, represented by Mortaz, sponsored the race. The big price of the draw was a Raymond Weil watch that was won by Mr. Stergiou by the Chili Pepper yacht.

The Yachting capital magazine was the communication sponsor.

Finally, it is worth mentioning that a number of participants expressed their interest in buying an Ocean Star yacht.
