

## **The unique Greek yachts of Ocean Yachts in Exclusive Yachting 2006!**

**The Exclusive Yachting visitors will have the opportunity to  
admire the Ocean Stars**

Ocean Yachts will participate for one more year in Exclusive Yachting 2006 that will take place from the 21<sup>st</sup> to the 24<sup>th</sup> of September at the Aghios Kosmas Dock in Athens.

During the exhibition, the sailing friends will admire closely the Ocean Star yachts, will be informed of the design of the special Ocean Pearl 62.1, as well as on the new collaborations abroad through discussions with the company's executives.

Mr. Anargyrou, Ocean Yachts' President, stated: «With great pleasure we will participate in this significant exhibition. We are a Greek company, passionate with what we do. Taking into consideration our recent collaboration with the famous yachts designer, Mr. Bill Dixon regarding our new Ocean Pearl 62.1 yacht, we believe that Exclusive Yachting is a unique opportunity to come closer and talk with the sailing lovers».

The hand-made yachts of Ocean Yachts concentrate all the necessary elements regarding quality, endurance, safety, comfort and sailing, which characterize a top sailing yacht. With all these elements of superiority compared to the yachts of massive production, and with the successful strategic moves of the company, Ocean Yachts has already conquered the Greek as well as the international markets.
