

## **Ocean Yachts- the progress continues in 2007!**

**Ocean Yachts started dynamically the New Year by completing the sale of the first Ocean Pearl 62.1 ft, the lengthiest sailing yacht that has ever been built in Greece.**

***Athens, 17 January 2007*** – The sale of the first Ocean Yachts' Pearl 62.1 ft.-the result of Ocean Yacht's collaboration with the famous yachts designer, Mr. Bill Dixon- is a fact!

The hand-made 62.1ft yacht has an impressive design that concentrates all the elements regarding quality, endurance, safety and comfort that are needed for a sailing yacht to compete as an equal with the top sailing brands.

Mr. Contantine Anargyrou, Ocean Yacht's President, stated regarding these significant successes and the company's strategy:

*«The sale of the first 1<sup>st</sup> Ocean Pearl 62.1 ft yacht signifies a new era for our shipyard and the new range of deck-saloon yachts. The year 2007 will be a significant one as Ocean Yachts is being established in the international market and is now identified by the superior design, the quality as well as the modern identity that characterizes its yachts. »*

The sale of the first 62.1 ft. yacht is the result of the very successful year of 2006 during which Ocean Yachts:

- Expanded its network over the world by acquiring 2 new representations, one for the Netherlands, Belgium, Luxemburg and Denmark, and one for North Italy.
- Participated in the most significant Greek and international boat shows (the Netherlands, Southampton, Exclusive Yachting 2006, 28<sup>th</sup> Athens Boat Show) and presented its unique Ocean Star series of yachts.
- Organized with utter success the 2<sup>nd</sup> Ocean Yachts Cup 2006 that took place in April 2006 with final destination the island of Poros, an experience that will remain unforgettable for all participants.
- Started its collaboration with the famous yachts designer, Mr. Bill Dixon.

Ocean Yachts loves sailors.

The relation between price and quality is Ocean Yacht's main tool.
